Delivery Schedule

Our looms, benches, rotary temples, and weaving tools are built one-by-one in our Workshop and the time to build each one varies. Paying a deposit establishes the sequence your order will be done in our workshop. We will do our best to estimate your delivery date, but we cannot guarantee a specific delivery date. Looms are usually available in 6-10 months. Benches take approximately 3-4 months to deliver. Smaller items such as Rotary Temples, Raddles, Lease Sticks, Lampholders, Casters are generally available in 2-4 weeks.

Payment Plans

All orders must be paid in full prior to shipment. Looms and benches are paid in three (3) installments: a 1/3 deposit secures your place in our workshop schedule, a 1/3 payment is due when your order becomes our primary project in our workshop - approximately 6-8 weeks prior to delivery of your order, and the final 1/3 payment is due immediately prior to shipment of your order.

Packaging/Crating Fees

Every order is handled with care and packaged to prevent damage to your items. Crates are hand-built to protect Fireside Looms during shipping. For this special attention, we charge a reasonable fee to cover our materials and time.

Shipping Methods

Fedex has proven itself reliable and responsible. We trust both Fedex Home Delivery and Fedex Freight with the majority of our shipments. We also use Priority Mail with Delivery Confirmation.

Warranty

Fireside Fiberarts' custom looms, benches and hand-made accessories carry a 3-year warranty.
